IBM Cloud Account

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows the URL 'cloud.ibm.com'. The dashboard's header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Mareeswari A's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), and 'Create' (Deploy available Hat Op). Below this section, there are three more cards: 'User access' (Manage users), 'News' (View all), and 'Planned maintenance' (View all). The 'News' card highlights 'All About IBM Storage's Price and Supply Guarantee' and 'IBM Tech Now: November 7, 2022'. The bottom of the dashboard shows a Windows taskbar with various application icons and system information like '29°C Haze' and '9:27 PM 11/9/2022'.
